Yes, my child may use Khan Academy with a student account. I have read the Informed Consent and Release for Khan Academy and understand its terms. I sign this voluntarily and with full knowledge of its significance. *(By not checking, your child will not set up a Khan Academy student account). Please Note: Students whose parent or guardian chooses not to sign the release for Khan Academy will not be penalized in any way. Students who do not have a signed release on file, will be offered an alternative to Khan Academy. The alternative is dependent upon the subject area using the resource.*

I have read Qualters Middle School Student Handbook (available on QMS homepage, a paper copy can also be given upon request) and reviewed the following matters with my child.

I have read the Technology Responsible Use Policy (RUP) located on page 32 in the student handbook and reviewed it with my child, as appropriate.

I have read the Hazing/Bullying/Harassment/Sexual Harassment Policy located on page 38, 64, 70 respectively in the student handbook and reviewed it with my child, as appropriate.

I have read the Family Education Privacy Act (FERPA) Student Records Regulation (handout included in package)

I **DO NOT** wish for my Child's name and address to be released to Massachusetts Charter Schools as required by the Massachusetts Education Reform Law. (By **NOT** checking your child's name will be released)
